

Capability Statement

OVERVIEW

No matter what industry you operate in, Compliance Quarter can provide you with both online and office services that will streamline your compliance program and give you a sense of ease and control. From the supply of personnel to projects with the delivery of licences or an updated compliance program, Compliance Quarter is the answer.

COMPLIANCE MANAGER

Ongoing support as the Compliance Manager for the retail arm of the business, being the primary contact for the various regulatory bodies. Ensuring that your company is conducting business in compliance with all laws and regulations, as well as professional standards and business practices.

COMPLIANCE REVIEW

Compliance Quarter has some of Australia's leading experts available to review your compliance program. We look at how your program integrates with the business and how it identifies and manages risk.

LICENSING

Compliance Quarter has significant experience in obtaining licences for our clients. From trade promotions to energy, we ensure that your application will be assessed correctly and that it will cover all obligations.

DOCUMENT REVIEW

We have developed innovative document review technology that identifies errors and omissions in documents in a matter of seconds. The Automated Document Review tool can be customised to review legal or regulatory documents that your business commonly manages.

DOCUMENT GENERATION

We have developed innovative technology that will generate a document template that you can edit and customise. This includes privacy policy, NDA, employment contracts and more.

THE COMPLIANCE HUB

Our Compliance HUB brings your compliance program online and ensures consistency between documentation. This is an online solution for businesses that want to demonstrate compliance and manage risk.
